WELCOME

Welcome to the 2018 Angelica Cantanti Youth Choirs Winter Concert. I am a senior at Jefferson High School, and I have been singing in Angelica Cantanti for 12 years. Ever since I joined this organization in 1st grade, the weekly rehearsals have been something that I look forward to every week.

I have made so many lifetime memories throughout the years singing in Angelica. One of my favorite memories was from when I was in elementary school in Con Brio choir under the direction of Rita Docter. The energy that she brought to every rehearsal made singing fun for everyone involved, and gave me my love of singing from a very young age. Another highlight of my time in Angelica is the annual Snow Days retreat. This is a fun weekend packed full of singing and a time to meet new people and create lifelong choir friendships.

I would like to thank my directors through the years: Rita Docter, Ann Schrooten, Nancy Grundahl, and Philip Brown. The amount of time and energy that they have put into choir is what has inspired my love of singing that will be with me for my entire life. The caring that they show for each singer has made this organization the great community that it is. Additionally, I would like to thank my parents for always supporting my love of singing and making music an important part of our family.

Something that has amazed me ever since I was a very young singer was the incredible love of singing that all singers share in Angelica. Continuing to sing in Angelica for all these years is one of the best decisions I have ever made. The friendships that I have created and love of singing that I have gained will stick with me for the rest of my life.

Thank you for attending our annual Winter Concert. Happy Holidays!

A Song for Mandela and de Klerk. In its juxtaposition of a European chant melody and an anti-apartheid song from South Africa, this piece is a celebration of diversity. It reflects our respect for divergent musical styles and points us toward our innate potential for peaceful coexistence.

Nation, do not cry.

We will attain freedom.

Jehovah will protect us.

Thank you,
Angelica Cantanti,
for your gift of song.

As you contemplate your gifting this holiday season, instead of clothes or the latest electronic gadget, consider making your gift a meaningful, lifelong one—the gift of education. With low minimums and qualified tax-free withdrawals, **529 college savings plans** are a unique gift that will last a lifetime.

As an independent advisor and father, I advocate for the successes of my Con Brio singer. I can help you support your loved ones through gifting to their future education or one of the other planning services our firm offers.

Contact us to learn how the gift of college savings is the gift that can grow with your child, grandchild or loved one.
